

# Springfield Youth Football and Cheer Fundraising Agreement

SYFandC Parents

We would like to welcome you and your family to the 2025 Season!

Last year's fundraising efforts have allowed us to keep our lower Registration Fees for the 2024 season and continue purchasing new equipment for all of our players. Thank you to everyone that participated because without you this would not be possible.

This season we will again be utilizing the Papa's Pizza Coupons as our fundraiser. Each FAMILY will receive 6 sheets to sell for \$15.00 apiece. Families with multiple players will only be required to sell 6 sheets. The fundraiser will begin on our first official day of football practice and will end the day after Labor Day. Players that do not complete the fundraiser will be able to continue practicing but will **not** be able to participate in a game. We have decided to use this strategy not only as a means to fulfil the fundraiser but also to help players and families understand the importance of supporting our Association. This is a great opportunity to give back to Springfield Football and for EVERYONE to enjoy the results.

This year's Fundraising efforts will go towards our purchase of needed equipment and scholarships for kids to play.

As always, our Goal moving forward is to offer students in the Springfield Area the most affordable options for Tackle Football and Cheer, with your help fundraising we are able to continue having the lowest fees in our Area and providing the best equipment possible.

Sincerely,

SYFandC Board of Directors
